**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please allow fair competition in the free market. AT&T and Comcast are among the most hated companies in the US for a reason. We are far behind the world in high speed bandwidth infrastructure because of these large companies lacking the drive and need to grow. Please point us towards a future away from monopolies of today.
